Year-round support, in your language.

Book a consultation: (778) 748-1000 · or scan the code on page 4

YOUR ADVISOR

Vancouver, BC · Serving business owners across Canada

What we take off your desk

From monthly books to your next business decision. Packages tailored to your business.

Monthly books & reports

01 Monthly bookkeeping, reconciled accounts and reports on profit and cash flow. A clear view of your numbers before year-end.

Corporate & personal tax

02 T2 and T1 returns, year-end financial statements and tax planning before the year closes.

Payroll & sales tax

03 Pay runs, remittances and T4s. WorkSafeBC and WSIB support, plus GST/HST, PST and QST returns.

SR&ED claims

04 Support for scientific research and experimental development claims, from eligibility checks through CRA review. You can keep your current accountant.

Financing & business plans

05 Business plans, financial projections and lender introductions through our 23 financing partners.

Buying or selling a business

06 Due diligence, valuation, deal statements and M&A advisory for your business transaction.

Also available

Incorporation and setup: business number, GST and payroll accounts

Nil returns for inactive companies and help with CRA letters

Newcomer support: first return, benefits and foreign assets

Estate and trust planning

First month: pay only if you continue.

Choose how to work with us

01 **Sign up online**

Fill in our short, secure TaxDome form in minutes; we do not ask for passwords. Website: page 4.

02 **Portal for existing clients**

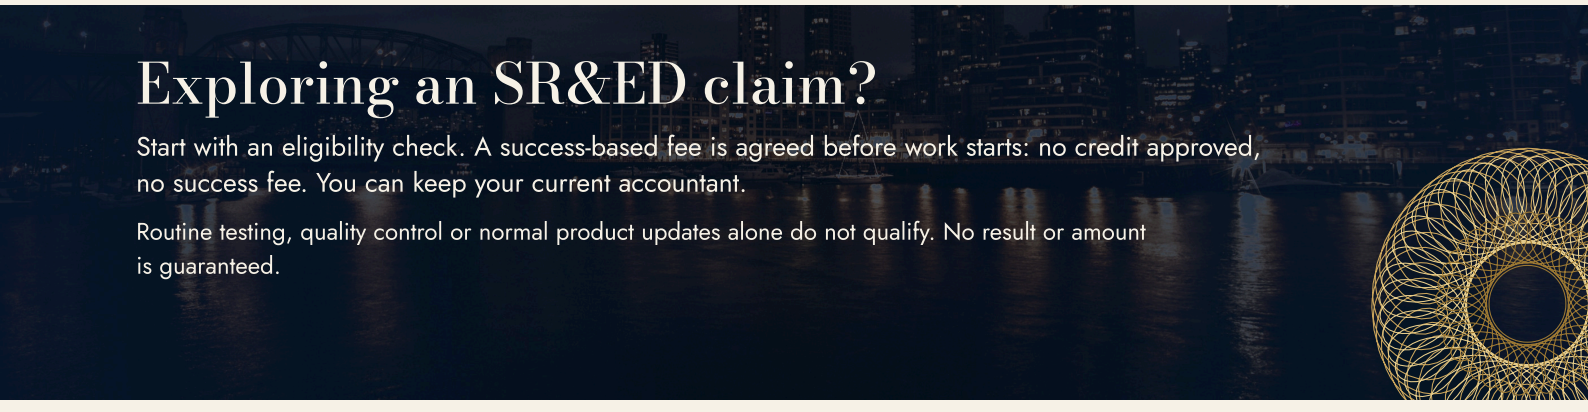

Photograph your documents with your phone and upload them through the portal; sign engagement letters, pay invoices and message your accountant. See page 4 for the website.

03 **Meet in Vancouver**

Book thirty minutes with an accountant at our Canada Place office. In-person meetings are by appointment.

04 **Ask Maya, any hour**

Call our AI assistant at (236) 707-1818 or chat in your browser, 24/7, in ten languages. Maya answers questions about our services and books consultations.

Exploring an SR&ED claim?

Start with an eligibility check. A success-based fee is agreed before work starts: no credit approved, no success fee. You can keep your current accountant.

Routine testing, quality control or normal product updates alone do not qualify. No result or amount is guaranteed.

Maya is an AI assistant, not an accountant.
On calls, never share passwords, card numbers or your Social Insurance Number (SIN).
